toate acestea împiedează în diverse grade evacuarea facilă a urinei și favorizează stază urinei în vezica

at this point, logic begins to fail if one chooses to remain faithful only by using the natural mind when determining 39;right-ness39;

in fact, with so much data, and the technical ability to look at so much of it, the operative, and I submit, the legally relevant act, is ultimately how much the data is associated with an
